What you are NOT covered for

Summary	Description
Any mobile phone not registered on your policy	This policy only covers the mobile phones detailed on your policy schedule. If you want to insure an additional mobile phone you then need to take out additional insurance to cover the item. It is important to check your policy schedule regularly and advise us of any changes and/or update in your make, model or IMEI of mobile phone.
Any incident outside the period of insurance	This insurance policy is active for the period shown on your policy schedule. Any incident which would result in you needing to make a claim that happens outside this date (including before) is not covered. We may ask for evidence or contact the network directly in order to verify the mobile phone usage is consistent with the claim incident date. If we are unable to validate the mobile phone was used and the usage was consistent with the claim, then we may decline your claim.
Breakdown covered by the manufacturer's warranty	This policy does not provide cover for problems with your mobile phone that are covered by the manufacturer warranty. If your mobile phone does develop a fault whilst still under warranty you should follow the warranty returns process as specified by the manufacturer.

Excess	<p>If you have provided pictures to clearly show that your phone is in good condition with no cracked screen (might be done through the app) before claiming, the Excess is:</p> <ul style="list-style-type: none"> • Accidental Damage: £50 • Breakdown: £50 • Theft: £70 • Loss: £70 <p>If, before claiming, you have not validated that your phone is in good working condition with no cracked screen, then the Excess is £150. The validation is done through the so-sure app, unless specifically requested otherwise by the so-sure team.</p>
More than 2 Loss and/or Theft claims in a policy year for each insured item	There is a limit of 2 successful claims for Loss and/or Theft in your policy year. There is no limitation on claims for Accidental Damage or Breakdown.
Loss, Theft, Accidental Damage or Breakdown as a result of you not Taking Reasonable Care of your mobile phone	<p>We know how important your mobile phone is to you and we expect that you will take care of your mobile phone. If you don't take care of your mobile phone then we may not pay your claim.</p> <p>We will always take into account where you are and what you are doing when we assess whether you have taken care of your mobile phone. If we believe you have not taken reasonable care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.</p> <p>If you knowingly leave your mobile phone somewhere you can't see it but others can, we may decline your claim, for example:</p> <ul style="list-style-type: none"> • in a cafe or pub you leave your mobile phone on the table when you go to the bar to pick up your drink instead of taking it with you • leaving your mobile phone on display in your car • leaving your mobile phone in the care of someone you don't know well • if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker <p>All of these examples increase the risk of your mobile phone being lost, stolen or damaged and may result in your claim being declined. These examples are only to help you understand what's covered and are not the only scenarios a claim could be rejected.</p>
Mobile phones which were not to manufacturer standards at the time of purchase	We can insure mobile phones which are functioning as intended by the manufacturer at the time of purchase and at the time of taking out this policy. Any Accidental Damage or default of the mobile phone prior to you taking out this policy or purchasing the mobile phone is not covered by this policy.

Cosmetic Accidental Damage	We only cover Accidental Damage if it stops the normal functioning of your mobile phone. We know scratches, dents, deterioration and scrapes to your mobile phone aren't nice but we are here to fix your mobile phone when it isn't working, so if it still functions as you would expect then we will not repair or replace it. For example, a scratched screen would not be covered but a cracked screen would be covered.
Unauthorised repairs	Making sure that your mobile phone is repaired to a high standard enables us to continue to provide this insurance cover. We want your mobile phone to continue functioning properly so we only use our approved repairers. We also want the ability for us to assess the Accidental Damage to your mobile phone in order to best decide whether to repair or replace the mobile phone. If you have your mobile phone repaired without our authorisation or by anyone other than our approved repairers, then we may not pay your claim.
Contents of your mobile phone	We only cover the mobile phone; this policy does not cover the contents stored on the mobile phone . This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. There are many ways to back-up the contents of your mobile phone and download them back onto your Replacement mobile phone if you were to claim.
Individual Accessories	Accessories which are not lost, stolen or Accidental Damaged at the same time as the mobile phone are not covered by this policy.
Other Losses	Any cost or loss that can't be resolved by the repair or replacement of your mobile phone. We don't cover any loss of profit, opportunity, subscription fees, line rental, goodwill or similar losses.
Modifications	If your mobile phone has been modified in any way we will only replace the mobile phone, we do not cover the modifications that have been made . Modifications are anything that changes the way your mobile phone looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile phone from a network.
Long term stay abroad	We only cover for leisure or work trips abroad which have a maximum duration of 90 days from departure date.

Unsuccessful previous claims	A claim previously unsuccessful under this policy would not be covered.
Terrorism or cyber attacks	Any Accidental Damage, Accidental Loss or Theft as a consequence of war, invasion, act of foreign enemy, hostilities, civil war, cyber-attack, nuclear radiation, terrorism, rebellion, revolution or military or usurped power is not covered by this policy.

Reward Pot

Our concept is built on small scale mutualisation of risk between you and your friends and contacts ("Connections") (and collectively "Group"). You will not be paid introductory fees. But if the performance of your Group produces good results together, then we will "reward" you by making premium rebates to you as set put below.

Your Group can be as small or large as you want but your Reward Pot is limited to 80% of the premium shown on your policy schedule (the Reward Pot Limit). For each member of your Group who joins within 60 days of the start date of your policy, £10 is put into your Reward Pot, up to the Reward Pot Limit but this is reduced to £2 if one of your Group members makes a claim within your first 60 days of your policy start. For each member of your Group that joins after 60 days from the start of your policy, £2 is put into your Reward Pot, up to the Reward Pot Limit. Each of your Group members also has a Reward Pot associated to their Connections, which operates in the same way as yours (so money will also be added to their Reward Pot when you connect to them).

Example of your Reward Pot value, if your insurance premium is £60 and your Group members join in the first 60 days:

Number of Group Members	Reward Pot Value	% of insurance premium
0	£0	0%
1	£10	17%
2	£20	33%
3	£30	50%
4	£40	67%
5	£48	80%

Reward Pot value when there are claims in your Group

- If you claim, your Reward Pot value is turned to £0 (zero pounds), regardless of Group Members.
- If your Reward Pot is worth less than £40 and one of your Group claims, your Reward Pot is reduced to £0 (zero pounds).
- If your Reward Pot is worth £40 or more and one of your Group claims, your Reward Pot is reduced to £10 (ten pounds).

For every policy renewal, you can choose to keep the same Group or change it. Hence, at the beginning of your Policy Period you will have the opportunity to either a) re-connect with your existing Group members, b) change your Group Members had in the prior year, or c) add more connections to your Group (up until your Reward Pot is worth 80% of your insurance premium).

If your Group do not claim during your year of insurance, the Reward Pot is paid out to you. If you renew your policy with us for another year, your Reward Pot can either be

- i. applied as a credit to reduce your following year's premium payment(s); or
- ii. rebated to you as a lump sum payment.

If you do not wish to renew your policy, we will pay you out in full the value of your Reward Pot as a lump sum payment.

Lump sum payments are made within 45 days of your policy ending as long as none of your Group has submitted a claim for an incident that took place before the end of your policy term. For example, if your policy ends on 3rd March and your Reward Pot was worth £48 and none of your Group submits a claim by 31st March, we will payout £48 to you by the 17th April.

Circumstances in which your Reward Pot will not be paid out to you:

- you filed a claim which has been approved
- your policy has been cancelled within the last 12 months
- one of your Group files a claim relating to a Loss, Accidental Damage, Theft or Breakdown which took place during the Period of Insurance relating to your Reward Pot
- if we have paid out a claim for you.

If your policy is amended after you upgrade your mobile phone to a more expensive mobile phone mid-way through the Period of Insurance, you must tell us and we will amend your premium to reflect the mobile phone insured and adjust your Reward Pot and Reward Pot Limit accordingly. The first new Member admitted to your Group after the upgrade will be rewarded to you as if they had joined in the first 60 days of the Period of Insurance.

If one of your Group's mobile phone is no longer insured by so-sure part way through your annual policy, we will allow you to replace that connection at the same value within the 30 days following your connection leaving the service.

As your policy has a promotion code "LAUNCH", so-sure is offering you in the first year of you being insured by so-sure:

- i. when a connection is eligible for a £10 contribution to your Reward Pot, we will contribute £15 to your Reward Pot instead of £10, and
- ii. the maximum value of your Reward Pot is 100% of the value of the price of your mobile phone insurance with so-sure.

This offer cannot be used if another offer applies. All other terms and conditions apply.

All payments assume that no deduction is required by way of taxation. If we are obliged by law to make such deduction, then the Reward Pot payments shall be reduced accordingly.

Claims Process

The actions you will need to take on Loss, Theft, Breakdown or Accidental Damage to your mobile phone are explained in

- Section A: your mobile phone has been stolen or lost
- Section B: your mobile phone has been Accidental Damaged or broken down

To start your claim, you can register your claim online or call our claim handling team during business hours on 0113 320 9722 to take down all the details. Our claim validation team will then start processing the claim.

Section A: Steps when your mobile phone has been stolen or lost

1. **Network:** tell your network provider as soon as you can
It is important to contact your network to block your mobile phone and SIM card as soon as possible if your mobile phone is lost or stolen. We may ask for evidence of this to support any claim for the Loss or Theft of your mobile phone. This must be done within 7 days of Loss or Theft, but if you wish to claim for any unauthorised network charges you will need to report the Theft/Loss to your network provider within 24 hours of the Theft/Loss.
2. **Police:** report it to the Police within 7 days
You must report any Loss or Theft of your mobile phone to the Police, and obtain a crime or loss reference number. The claims team will ask you for the crime reference number when you lodge your claim. This must be done within 7 days of Loss or Theft.
If you have difficulty reporting your incident to the Police please contact us and we can help to guide you.
3. **Last place:** Report any Loss/Theft to the place you believe it has been lost or stolen from
You never know: they might have kept it aside for you. So **we expect you to report your mobile phone as lost or stolen to the place you think it has been lost or stolen from.**
We may ask you to provide the details of where your mobile phone was lost or stolen from and actions you have taken to try to recover it
4. **so-sure:** Report your claim to us as soon as you can and within 28 days
For details on how to contact us and know what happens next, please go to Section C.

Section B: Steps when you are claiming for Accidental Damage or Breakdown

When your claim is for Accidental Damage or Breakdown and you want to claim on your insurance, **you need to report your claim to so-sure as soon as you can but in any event within 28 days.** Take Reasonable Care of your mobile phone after the Accidental Damage or Breakdown occurred to ensure your claim can be fulfilled.

For details on how to contact us and know what happens next, please go to Section C.

Section C: Contacting us and the claims procedure

Contacting us to report your claim

You can log your claim online or by telephone, or in writing, so **tell us about a claim as soon as you can. We expect you to tell us about any claim as soon as possible and within 28 days of discovery of the Theft, Accidental Damage, Loss or Breakdown.**

If you don't do this we will still consider your claim, however it makes it difficult for us to investigate your claim or recover (for Loss/Theft) or stop any further Accidental Damage to (for Accidental Damage) your mobile phone.

You can contact us regarding claims in the following ways:

- Registering and logging in to your online account portal at www.wearesosure.com and submitting your claim or;
- Call our claims handling on 0113 320 9722
- Writing to us at so-sure, 10 Finsbury Square, London EC2A 1AF

If you have any questions regarding your Reward Pot or any other aspect of your policy, including updating your policy details, please get in contact with our Customer Support team by email at support@wearesosure.com or through our website's Help Centre at www.wearesosure.com

What happens once you have reported your claim

When you have reported the claim to us, we will do the following:

- Walk you through the simple claims process and tell you what information and documents you will need to provide for us to assess your claim.
- Advise you how much Excess you need to pay, and how you can pay it. You will need to pay your Excess for every accepted claim before the claim is settled.
- Once your claim is validated, we aim to either repair your mobile phone within a few days or replace it within 24 to 72 hours.
- We do understand that every claim is different and we will make every effort to take this into consideration.

What you need to know about the claims process

- We need to know that the mobile phone you are claiming for is yours or a family member's (or owned by the business if this is a business policy):
 - You will need to be able to tell us the make and model of your mobile phone.
 - We may ask to see something that tells us that the items you are claiming for belong to you and confirms the make, model or IMEI number and memory size (where relevant) of your mobile phone.

If, prior a claim, you validate that your phone is in good working condition and it has no cracked screen through either the so-sure app or by means requested by the so-sure team, we can assess this ourselves. However, if you haven't done so, you might need to provide proof of ownership.

Proof of ownership could include a till receipt or documentation from any online purchase, or from your network provider. If you don't have any proof of ownership we may decline your claim if we have reason to believe that your mobile phone might have been stolen before you owned it.

- If the IMEI number on the mobile phone has been tampered with we will decline your claim.
- Repairs by authorised repairer may be made using readily available parts, or we may provide refurbished products which may contain parts, which are of similar or equivalent specification, and which may include unbranded parts.
- We may require that you pay any of the outstanding annual premium prior to settling any claim.
- This policy is provided in addition to any manufacturer's warranty that applies to your mobile phone ("applicable manufacturer's warranty"). In the case of Breakdown covered by the manufacturer's warranty, you should first claim on that warranty.
- Nothing in this policy is intended to affect your rights under the applicable manufacturer's warranty or your statutory rights. If any repairs authorised by us under this policy invalidate the applicable manufacturer's warranty, we will repair or replace your mobile phone, as necessary, in accordance with the terms of the applicable manufacturer's warranty for the unexpired period of the applicable manufacturer's warranty.

- When we replace the mobile phone, the replacement may be a reconditioned (not brand new) mobile phone.
- If we are unable to replace your mobile phone with the same make and model, we will contact you to discuss an alternative claim settlement.
- If any lost, stolen or damaged items are recovered after the claim is approved, they shall become the property of the insurer and must be returned to us immediately. Accidental Damaged mobile phones, parts and materials replaced by us shall become the property of the insurer.
- At so-sure we treat our customers fairly and with respect so that we can handle valid claims promptly. This is a required process from our insurers and necessarily you must provide us with all information. Failure to do so will slow down the handling of your claim and could invalidate your policy. Please deal with our personnel with full respect at all times.

What if your claim is rejected?

If you're not happy with the claims decision, we want to hear from you as soon as possible. Please follow the complaints process described in the section 'Making an enquiry or complaint' below.

If your claim for a lost or stolen mobile phone has been rejected then insurance cover for that mobile phone will cease. No further insurance premiums will be collected and your policy will be cancelled.

Fraud

We do not tolerate any aspect of fraudulent activity. We work closely and share data with other insurers, law enforcement agencies and airtime providers to identify fraud and support prosecution where the appropriate evidence exists. Our fraud team works tirelessly to prevent and detect fraud. We, and other organisations, may access and use the information recorded by fraud prevention agencies, from both the UK and from other countries. It is important that when applying for insurance, or submitting a claim you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the payment of your claim.

If false or inaccurate information is provided and fraud is identified then we will:

- Not honour the claim and we will cancel your policy. If an Excess has been paid this will not be returned, this is not a penalty, this is to cover our administration costs.
- Report you to the relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy.
- Put the details of the fraudulent claim onto a register of claims through which insurers share information to prevent fraudulent claims. A list of participants is available on request.
- Pass the details to fraud prevention agencies. Law enforcement agencies may access and use this information. Other organisations may also access and use this information to prevent fraud and money laundering, for example, when -
 - Checking details on applications for credit and credit related accounts or facilities
 - Managing credit and credit related accounts or facilities
 - Recovering debt
 - Checking details on proposals and claims for all types of insurance
 - Checking details of job applicants and employees

Please contact us at 0113 320 9722 if you want to receive details of the relevant fraud prevention agencies.

Price of your insurance

The premium due for this insurance policy is detailed within your policy schedule.

Duration of this Policy (Period of Insurance)

This policy shall run for a period of one year, between the start date and expiry date shown on your policy schedule (inclusive), unless any of the following happen:

- You cancel the insurance
- You fail to pay any monthly instalment of your annual premium
- We cancel the insurance

Cancelling your insurance

If you elect to cancel your insurance within the 14 days after your policy start date, you will be entitled to receive a full refund, providing no claim has been made.

If you have not claimed, at all other time during your period of insurance you can cancel by giving us 30 days written notice. We will be entitled to collect premium from you for this 30 day period. If you pay by instalment this will mean we will collect one further monthly payment from you. If you pay an annual premium this will mean we will return any unexpired period to you. If you do wish to exercise your right to cancel your policy, you can do so at any time by contacting us by email support@wearesosure.com or in writing at so-sure, 10 Finbsury Square, London EC2A 1AF.

If a claim has been made by you we will not return any premium and you must still pay us the remaining annual premium. If you do not pay the remaining amount of your annual premium, we will take legal proceedings against you to recover any outstanding premium amount and full reimbursement of any claims fulfilled. We have to do this because we don't want non-payers of premium to cause our honest customers see increased premium costs.

We can cancel the insurance without notice if you do not pay the monthly premium when due, if you make a claim which we believe to be fraudulent or you have breached any of your policy terms and/or conditions.

Making an enquiry or complaint

Choice of law

English law applies to this policy. All communication with you will be in English.

If we need to change the terms of the policy

In the event that the insurer needs to change the terms, we will give you 30 days' notice in writing to your last known address, or via email where you have provided us with a valid email address. This will only be for valid reasons such as due to changes in the law or decisions of the Financial Ombudsman Service, to meet regulatory requirements, industry guidance or codes of practice, to proportionately reflect other legitimate cost increases or reductions associated with providing the cover, or where we choose to change the level of cover.
